The Ahlgren/Golden k scholarship applications are due to **Ron Schuler** no later than March 1. The scholarships are available for seniors in Madison High Schools who plan enter college in a Wisconsin institution. Madison High School counselors have received copies of the scholarship application, description and a reference form. These can be found on our website. Members should encourage outstanding high school seniors to apply.

Its time to ask our community non-profits to apply for MWK grants. Last year we were able to award nearly \$18,000 to a dozen community partners. Grant application forms are available from our website. Each application must include the name of a supporting MWK member. If you have a 501c3 organization you are willing to sponsor, please contact them and remind them the deadline for applications will be April 1st.

All applications are evaluated and scored by a committee of our members. Once the applications are scored, recommended awards are made by the evaluation committee and approved by the Board and Foundation. A Community and Youth Services grants award meeting will be scheduled for late May or early June.
