Kiwaniis Club of Madison West – Kiwanogram

Guests: No Guests.

Program: 'MWK Web Site and Member Portal plus Clock Collecting' presented by **Leroy Baker**.

MWK Web Site: MWK has extensive information on our public web site: www.madisonwestkiwanis.info. And has many options on the Member Portal. See below for image of home page with an enlarged image on page 3.

This web site is based on a template from 'Member Day' which replaced 'Portalbuzz' about 4 or 5 years ago.

Menu across the provides much information about MWK which is available to the public. Using the web address will lead the user the page shown below and enlarged on page 3.

Of particular interest to club members is the menu item 'Member Portal'. When members log onto this page, you will be asked for your email address and password. This page allows members to establish a password when entering the first time.

Serving the Madison, Wisconsin Community Since 1959

The Madison West Kiwanis Club was chartered in 1959 and is a member of the Wisconsin-Upper Michigan District. As with most Kiwanis clubs, the Madison West Kiwanis Club is a snapshot of the community, with members (men and women) from all walks of life and at every step of the career ladder. We are unified in the belief that children and the community benefit from the efforts of caring and involved volunteers. In a typical year, the club serves more than 1000 volunteer hours and \$35,000 in support of the Madison community.

Through these efforts, the Madison West Kiwanis truly leaves a lasting impression on future generations and reaches underserved populations. Members of Madison West Kiwanis are working hard to overcome existing biases. We are striving to provide a non-discriminatory, fair, and equitable environment for everybody. We believe that embracing our diversity enriches our club.

We hope you will peruse the balance of our Madison West Kiwanis Club website to learn about the different community service activities in which we're involved. Please consider attending one of our weekly programs which are currently meeting every Friday from 11:45am to 1:00pm in Bradford Hall at the Covenant Presbyterian Church at the corner of Mineral Point Road and Segoe Road in Madison.

Clock Collecting

Leroy's Silver Star Fellow Award related to accumulating clocks.

Leroy's questions:

What is it about clocks:

1. Seemingly endless supply,
2. Always finding something new,
3. Cheaper and smaller than cars and planes and
4. Many quirky attempts at improvement

Why a Particular Clock:

1. Sentimental connection,
2. Aesthetically pleasing and
3. Something unusual about it.

See page 4 for more clock photos and information.

Bruce Hoehne announced Brat Fest is coming soon --- Mark your calendars for Memorial Day Week end to volunteer for the community event – May 22 – May 26. In addition to volunteering for a community event, we will receive \$12.00 per hour for our club's community activities. I suggest you sign-up to volunteer on Thursday, May 22. This way your volunteer efforts will occur without a crowd, easier parking and the opportunity to enjoy the remainder of the Holiday week-end. Like last year, Bratfest sign-up is now available at the Bratfest website. Go to the website and follow the guidance for sign-up. Last year we used the following password "Kiwanis#1". Select Madison West Kiwanis for the charity and pick your volunteer assignment.

Arlin Brannstrom reported the Madison West Kiwanis Culver's SHARE NIGHTS are June 10 and September 16. More details later.

On May 12, nearly 1000 prescription bottles were recycled through Madison Downtown Kiwanis. Much credit goes to Betty Keeney.

Dwight Gribble reports **Ed Reisch**, Emma and **Dwight Gribble** had an excellent experience with 7 first graders. This is the final Lunch Buddies for this school year. Tom Loomis (Midvale School) said these students were the most talkative group. Emma provided gift bags for each student.

A note to Lunch Buddy students from MWK
