April 10th Program:

“Human Well Being: What is it? Who Has/Does Not Have it? How it Matters for Health & Longevity”

Dr. Carol Ryff, a Professor of Psychology, has been on the UW faculty for more than 30 years. During those years she has been Director of the Institute on Aging and Principal Investigator for research titled ‘Midlife in the US’ or MIDUS. The MIDUS team embraces a wide array of disciplines and connects factors leading to health & illness across the decades of adult life. MIDUS has conducted and analyzed four national surveys of residents involving their social, psychological, and other aspects of health and well-being.

George Shook became acquainted with Professor Ryff last October at the Institute’s Annual Colloquium on Aging. Her topic at the colloquium was “Reflecting on 30 Years of Leading the Institute on Aging.

Madison East Kiwanis hosts the Joint Meeting of the Madison Kiwanis Clubs on Wednesday April 22 at 11:30 a.m. at the Great Dane East, 876 Jupiter Drive. Cost: \$20

Please RSVP to Leroy Baker if you plan to attend so we can provide a headcount to East.
